

Descargar libros 1914 gratis (PDF | ePub | Mobi) Max Hastings DG Media

El prestigioso autor Max Hastings se aparta de los relatos al uso para mostrarnos cómo una Europa incapaz de imaginar la magnitud de la catástrofe que iba a desencadenarse se lanzó a lo que pretendía ser “la guerra para acabar con todas las guerras”, y fue, por el contrario, el inicio de un siglo de barbarie. Hastings se basa en los resultados de las investigaciones más recientes para profundizar en los orígenes, los planes y la dirección del conflicto, y baja después hasta el campo de batalla para, como gran historiador de la guerra que es, narrarnos los combates y revivir la experiencia humana de quienes participaron en ellos, valiéndose de una riquísima documentación de cartas, diarios y testimonios de veteranos de guerra -oficiales rusos, artilleros serbios, soldados franceses o belgas...- que está en poder del autor. Un libro esclarecedor que va mucho más allá de los tópicos.
