Unha muller é sorprendida pola chegada da policía á súa casa para deter o seu home, un político, por un presunto delito de abusos sexuais de menores. A acción de "A dúbida" desencadéase a partir dese feito, que provoca o conflito psicolóxico desa muller que empeza a dúbida se coñecía realmente ao home. Un ritmo áxil, a profundidade do conflito psicolóxico e a sutileza con que a novela trata temas de actualidade como os abusos sexuais e a corrupción política son os argumentos que valorou o xurado da decimocuarta edición do Premio de Novela por Entregas de La Voz de Galicia. En "A dúbida" a autora fai uso da súa experiencia como narradora para ofrecer unha historia que engancha a atención das lectoras e lectores e aborda, desde a denuncia social e a intriga, un tema pouco frecuente na literatura galega, escrita con pulsión literaria e rigor.
