Animales invisibles es un proyecto sobre **animales misteriosos**, sea por pertenecer a las leyendas de los diferentes lugares, por estar presuntamente extinguidos o por ser casi imposibles de localizar.

El libro propone una aventura literal en cada una de sus presentaciones, durante las que se sigue el rastro de un animal simbólico en el territorio explorado. A través de la relación que los habitantes tienen con ese animal, de su forma de cuidarlo, perseguirlo o recordarlo, el público va a descubrir no solo una geografía sino también el imaginario de una sociedad.

Pivotando entorno a la idea del viaje, cada capítulo introduce el suspense proponiendo una aventura literal en la que los lectores, los viajeros potenciales, parten en busca de un objetivo: **un animal**.
