This is the Rough Cut version of the printed book.

Completely revised and updated for Logic Pro X, this Apple-certified guide shows you how to record, produce, and polish music files with Apple's professional audio software. Veteran music producer David Nahmani's step-by-step, instructions teach you everything from basic music creation to advanced production techniques using Logic's software synthesizers, samplers, and digital signal processors. Learn about all of the key features in Logic Pro X including Flex Pitch, Drummer, Drum Kit Designer, Track Stacks, MIDI Effects, and more. Using the book's online files and Logic Pro X, you'll begin making music in the first lesson. Whether you're looking to use your computer as a digital recording studio, create musical compositions, or transfer that song in your head into music you can share, this comprehensive book will show you

how.
