El acero más fuerte se forja en las llamas del infierno...

Fue el primer Cazador Oscuro. Ahora es el líder indiscutible de todos ellos. No responde ante nadie y sus órdenes son acatadas al momento. Es poderoso, enigmático, inaccesible. Una leyenda entre las leyendas. Ha luchado por la supervivencia de la humanidad al tiempo que ocultaba celosamente sus orígenes y su tormentoso pasado.

Esta es una historia que comenzó hace once mil años, cuando una diosa escondió a su primogénito entre los humanos. Esta es la historia de Aquerón.
