As I Walked Out One Midsummer Morning is the moving follow-up to Laurie Lee's acclaimed Cider with Rosie

Abandoning the Cotswolds village that raised him, the young Laurie Lee walks to London. There he makes a living labouring and playing the violin. But, deciding to travel further a field and knowing only the Spanish phrase for 'Will you please give me a glass of water?', he heads for Spain. With just a blanket to sleep under and his trusty violin, he spends a year crossing Spain, from Vigo in the north to the southern coast. Only the outbreak of the Spanish Civil War puts an end to his extraordinary peregrinations . . .

'He writes like an angel and conveys the pride and vitality of the humblest Spanish life with unfailing sharpness, zest and humour' *Sunday Times*

'There's a formidable, instant charm in the writing that genuinely makes it difficult to put the book down' *New*

Statesman

'A beautiful piece of writing' *Observer*
