Sarah Andersen's hugely popular, world-famous *Sarah's Scribbles* comics are for those of us who boast bookstore-ready bodies and Netflix-ready hair, who are always down for all-night reading-in-bed parties and extremely exclusive after-hour one-person music festivals.

In addition to the most recent *Sarah's Scribbles* fan favorites and dozens of all-new comics, this volume contains illustrated personal essays on Sarah's real-life experiences with anxiety, career, relationships and other adulthood challenges that will remind readers of Allie Brosh's *Hyperbole and a Half* and Jenny Lawson's *Let's Pretend This Never Happened*. The same uniquely frank, real, yet humorous and uplifting tone that makes Sarah's Scribbles so relatable blooms beautifully in this new longer form.
