

# Descargar libros California gratis (PDF | ePub | Mobi) Manuel Valero DG Media

Esta guía de California lleva de la mano por todos los mitos del oeste americano, descubriendo desde ciudades legendarias como San Francisco, Los Ángeles o Las Vegas en Nevada, a famosos parques nacionales como Yosemite o el Valle de la Muerte, sin olvidar destinos turísticos imprescindibles como Disneyland o Hollywood. La guía pone especial énfasis en los vinos californianos, con detalle de las principales bodegas que pueden visitarse; así como en la música, con los mejores locales en cada ciudad y una amplia relación de los grupos que forjaron la leyenda del rock and roll californiano, todos ellos con enlaces a sus actuaciones más legendarias. En definitiva una guía para descubrir desiertos, playas soleadas, ciudades cosmopolitas, brumosos bosques milenarios y toda la esencia del viejo oeste americano.
