Una estrella de televisión es hallada muerta de un tiro a la cabeza en una escuela abandonada. Su cuerpo se encuentra de cara a la pared y, atadas a una silla del aula, unas hojas de examen. A juzgar por el número de respuestas incorrectas, la víctima suspendió el examen más importante de su vida. Este horrible asesinato es el primero de una serie de muertes que tendrán como víctimas a personajes famosos. La Brigada Criminal de Torkel Hölgrund se encargará del caso y sólo gracias a la pericia de Sebastian Bergman lograrán, siguiendo las pistas halladas en chats de internet y en cartas anónimas publicadas en los periódicos, resolver el misterio.
