Our cats live happier, healthier lives in our homes when we understand their natural history, behaviors, and how the world looks to them. Cat Mastery shows you who cats are, why they do the things they do, and the simple, essential things you can do to make sure they feel safe and stimulated in your home.

Written by veterinarian Dr. Tony Buffington, professor of veterinary clinical sciences at The Ohio State University, Cat Mastery brings the best of the research on what cats need and want to thrive indoors to cat owners everywhere in an engaging, interactive format.
