Kayla is intent on leaving her past north of the border. Hired as a Canadian liaison by the US Navy, she finds the Coronado SEALs tough but amiable. Their Commander is another matter. With eyes like blue steel and a body carved from it, Kayla resists the hungry attraction between them for good reason.

Navy SEAL Commander Thane Austen (Ghost) treats his women like his missions: in, out and gone. Returning from deployment to find Kayla is his new tactical specialist poses a challenge, one he's never faced. When the defiant beauty with haunted eyes becomes a serial killer's target, the Commander has the excuse he needs to close ranks around her. Fear is a word unknown to the legendary SEAL until he realizes love can be as dangerous to a warrior as combat. Convincing Kayla to surrender to him and catching a killer is a mission he won't fail.
