**Sophie Hannah** says it's 'the perfect thriller', now read Sunday Times bestseller Lisa's Gardner's compulsive and unputdownable thriller **CRASH & BURN**. A WOMAN, UNABLE TO REMEMBER THE EVENTS OF A CAR ACCIDENT, JUST WANTS TO KNOW WHERE HER DAUGHTER IS.... If you love **Karin Slaughter** and **Tess Gerritsen**, you'll love Lisa Gardner.

My name is Nicky Frank.

I'm in hospital, afraid. All I can think about is Vero. I have to save her but I can't find her. She's just a little girl. The man by my bed tells me we're married and there is no Vero. He says that six months ago I suffered a brain injury, that I have dramatic mood swings and large gaps in my memory. I get angry and I drink. All of which explains the car crash that put me here.

Now a Sergeant Wyatt Foster has questions about the accident. He has concerns about my husband. And he's worried about a missing girl. He would like to know what happened to me. So would I.

This is my life. Watch me crash and burn.
