Carlos Kaballero DG Media

Carlos Kaballero, el poeta de redes que reformula el realismo sucio con un poemario repleto de crítica social y nocturnidad.

Estas páginas están hechas de insomnio. Cada una de sus palabras es un trozo de madrugada. Textos escritos en la noche, sobre la noche y para la noche...

Porque el amor, la vida, la soledad, el sexo y el mundo se ven de un modo distinto bajo la luz de un flexo en la ciudad callada.

Porque la angustia de la falta de sueño transporta a un lugar brumoso en el que se confunde la realidad... O tal vez al contrario, se vea todo demasiado claro.

*«Tú encárgate de vivir
y de hacerme vivir contigo,
yo me encargaré*

de dejar todo esto
por escrito.»
