FBI agent Axel Bates is supposed to have a week off work, but when his best friend calls and begs him to protect his twin brother, how can he say no? But saving Maze turns into more than a simple rescue mission. There's nothing in the rulebook about living with a mobster and certainly nothing about falling in love with one.

Maze Romero is a powerful and dangerous man. Finding out that someone wants him dead doesn't come as a surprise to him. He took over the family business to protect his brother but when he's the one in need of protection, the enigmatic man coming to his rescue is not what he was expecting. Neither is the emotions Axel stirs up in him.

Maze pushes a lot of Axel's buttons and being stuck in close quarters together leads to unexpected things. Axel knows it's dangerous to want Maze, but the sexy, alluring man is everything he's ever wanted. Can they work together to stop those who want Maze dead or will the fling that's only supposed to be temporary get in the way?
