The acclaimed Disneyland Paris, From Sketch to Reality book is now available in an English eBook special edition with a major update! Not only the book has 40 new pages more than in the regular 320 pages printed edition, but it includes also 118 pictures more in addition to the 750 pictures and artworks of the regular edition, so the book has now around 15% more pages and pictures! The printed edition of the book is now out of stock and copies are sold at very high prices on the web by various sellers, so this eBook edition is a unique chance to get the book at the best price ever!

Disneyland Paris, From Sketch to Reality tells the story of the creation of Disneyland Paris thanks to interviews by Didier Ghez of dozens of Disney Imagineers and 250 Imagineering artworks as well as 600 pictures of the park and resort. There is new pages for all attractions which have been updated recently or added in the park since the book was published 17 years ago, i.e new pages for Pirates of Caribbean, Star Tours 2, Hyperspace Mountain, Buzz Lightyear, Big Thunder Mountain, Meet Mickey, Mickey's Philarmagic, Hotel New York, and of course Phantom Manor which reopened recently, with 16 new pages for Phantom Manor only!

And because it is a digital edition we don't need to care about the number of pages, so i've put back the full pages on the beloved Visionarium attraction, now extinct. The originally 320 pages book is now a 364 pages book (not counting the front and back cover), and this eBook edition also include a selection of 60+ of the best videos about the park, Imagineering, hotels, and more! The Disneyland Paris, From Sketch to Reality book is an absolute must-have for every Disneyland Paris and Disney theme parks fan!
