Cuando una persona desea realmente algo, el Universo entero conspira para que pueda realizar su sueño. Basta con aprender a escuchar los dictados del corazón y a descifrar un lenguaje que está más allá de las palabras, el que muestra aquello que los ojos no pueden ver. El Alquimista relata las aventuras de Santiago, un joven pastor andaluz que un día abandonó su rebaño para ir en pos de una quimera, aprendiendo durante el trayecto a escuchar los dictados del corazón y a descifrar el lenguaje que está más allá de las palabras. Con este enriquecedor viaje por las arenas del desierto, Paulo Coelho recrea un símbolo hermoso y revelador de la vida, el hombre y sus sueños.
