Nacido a mediados del siglo XV, experimentó en toda su fuerza el drama del Renacimiento y de su guerra con la religión. Las tradiciones y valores medievales se estaban desintegrando para dar lugar al ingreso de la humanidad en un nuevo universo donde la fe pierde parte de su poder y mucho de su magia. Sus alegorías favoritas fueron el cielo, el infierno y la lujuria. El Bosco creía que cada quien tenía que elegir entre dos opciones: el cielo o el infierno, y explotó con genialidad el simbolismo de un amplio rango de frutas y plantas para dar matices sexuales a sus pinturas.
