La nueva novela de Brandon Sanderson.

El mundo lleva siglos en guerra; la humanidad está atrapada en un planeta constantemente atacado por unos alienígenas decididos a destruirla. Los pilotos son los únicos héroes dispuestos a combatir al enemigo.

Spensa es una joven que siempre ha soñado con convertirse en piloto y defender a la Tierra. Pero su destino se cruza con el de su padre, un piloto que fue asesinado tras abandonar a su equipo, anulando sus opciones de asistir a la escuela de vuelo. De pronto, el ataque alienígena ha hecho duplicar la flota aérea de los humanos, facilitando que Spensa ahora sí pueda volar al espacio...

La crítica ha dicho...

«Un escritor brillante.»

Patrick Rothfuss
