En un país devastat per la incompetència, quatre terroristes estrambòtics emprenen un viatge suïcida per assassinar el rei d'Espanya i proclamar unilateralment la independència de Catalunya. Amb aquest punt de partida delirant arrenca Hawaii Meteor, la que va ser la primera novel·la de Jair Domínguez, una road movie apocalíptica que ens transporta a un futur distòpic dominat per la violència i en el qual els quatre protagonistes s'enfronten amb tot d'obstacles i enemics que intentaràn evitar que la seva missió arribi a bon port. Hawaii Meteor és un thriller d'alt voltatge amb grans dosis d'acció, sang i fetge; un viatge al·lucinant cap a la misèria de la condició humana.
