New York Times bestseller Dianna Love's Beladors are back with a special story for Evalle and Storm!

To bond or not to bond should be a simple question, but nothing is ever easy in the life of this particular Skinwalker and Belador couple.

Investigating a strange death in unfamiliar territory threatens to rip them apart forever as Storm tracks a predatory majik killing in the cruelest ways and Evalle makes a dangerous gamble to save what's left of her disappearing preternatural powers ... and herself.

Until he completes the mating bond with Evalle, Storm has no way to find her if she's kidnapped again and preternaturals are actively hunting her in a chaotic Atlanta. Word hasn't gotten out that she can no longer shift into a powerful gryphon. When Storm's estranged uncle in Arizona pleads for help in finding the cause behind a strange death on his tribe's reservation, Storm agrees to go just to get Evalle out of the

city and somewhere safe. A good idea on paper, not so much when he confronts a predatory majik that attacks his.

Prior to surviving a brutal imprisonment, Evalle wanted nothing more than to bond with her Skinwalker mate to share their lives and energy. She cheated death upon escape only to discover she's lost the ability to shift into a gryphon and her powers are failing. Opening a connection with her Storm could destroy his as she discovers her body is going through new insurmountable changes. When she's offered a chance to bring her gryphon back, Evalle jumps at it, determined to heal herself and save her life with Storm. Too late, Storm realizes he's made a deadly mistake by bringing his mate with him.
