From the author of the Lambda Literary Award winning *Teleny* and *Camille* comes the first installment of a tale about young lovers in a queer Celtic fantasy world. Oisín, a druid on the eve of his initiation, meets Byron, a troubled werewolf, and they fall in love, but will they be allowed to remain together?

The digital edition includes special features including all new design and cover artwork, video book trailers for books one and two, eight sketchbook pages and information about other Northwest Press titles.

Fearful Hunter was the recipient of the 2010 Prism Comics Queer Press Grant.

"Like *Teleny* and *Camille*, we once again see his beautiful black-and-white art, but now he has proven his talent as an original writer, as well. It's a rare gift that a natural storyteller has skill with both words and images, but Macy

does." — Steven Surman, *Broken Frontier*
