

Descargar libros Forja gratis (PDF | ePub | Mobi) Josemaría Escrivá de Balaguer DG Media

" Forja es un libro de fuego, cuya lectura y meditación puede meter a muchas almas en la fragua del Amor divino, y encenderlas en afanes de santidad y apostolado.

Con 1055 puntos de meditación, distribuidos en trece capítulos (...), Forja acompaña al alma en el recorrido de su santificación, desde que percibe la luz de la vocación cristiana hasta que la vida terrena se abre a la eternidad (...).

Me atrevo a asegurarte, amigo lector, que si tú y yo nos metemos en esa forja del Amor de Dios, nuestras almas se harán mejores (...). San Josemaría Escrivá nos guiará por los caminos de la vida interior, con paso seguro, como quien conoce el terreno palmo a palmo, porque lo ha recorrido muchas veces." (del Prólogo de Mons. Álvaro del Portillo).

La primera edición es de 1987. Hasta el momento se han publicado más de 40 ediciones en 12 idiomas.
