The unspoken rules for how women should behave in the workplace are as numerous as they are confusing.

Ask for a pay rise? Pushy.
Take credit for an idea? Arrogant.
Admit a mistake? Weak.
Successfully juggle work and family? Unpromotable.

In *How to Be Successful Without Hurting Men's Feelings*, Sarah Cooper, author of the bestselling *100 Tricks to Appear Smart in Meetings*, illustrates how women can achieve their dreams, succeed in their careers and become leaders, without harming the fragile male ego.

This wickedly funny tongue-in-cheek guide includes chapters on 'How to Ace Your Job Interview Without Over-acing It', '9 Non-threatening Leadership Strategies for Women', and 'Choose Your Own Adventure: Do You Want to Be Likeable or Successful?'. It even includes several pages to doodle on while men finish explaining things.

When all else fails, there is **a set of cut-outable moustaches inside to allow women to seem more man-like**, which will probably lead to a quick promotion!

PRAISE FOR 100 TRICKS TO APPEAR SMART IN MEETINGS:

'A lot of fun and absolutely on the money' *Daily Telegraph, Book of the Year*

'Even though it's mostly a comedy book, I can't help but think how legitimately useful I would have found this in my early twenties' *The Pool*

'Sarah Cooper is uncannily spot on when describing the seemingly innocent behaviours of people attempting to impress others' Christine Tsai, Founding Partner, 500 STARTUPS
