'An uncanny ability to sound like your best friend' *The New York Times*

'Nora Ephron is everything.' DOLLY ALDERTON

Academy Award-winning screenwriter and director Nora Ephron (*When Harry Met Sally*, *Heartburn*, *Sleepless in Seattle*, *You've Got Mail*) turns her sharp wit on to her own life.

* Never marry a man you wouldn't want to be divorced from.

* If the shoe doesn't fit in the shoe store, it's never going to fit.

* When your children are teenagers, it's important to have a dog so that someone in the house is happy to see you.

* If only one third of your clothes are mistakes, you're ahead of the game.

* Anything you think is wrong with your body at the age of thirty-five you will be nostalgic for by the age of forty-five.

'Her essays are readable three decades on - she can eviscerate and self-deprecate, but her humour always wins out' *Guardian*
