

Descargar libros Internet negro gratis (PDF | ePub | Mobi) Pere Cervantes Pascual & Oliver Tauste Solá DG Media

Son muchos los riesgos que se esconden en Internet: ciberataques a páginas web; crimen organizado; la *deep web*; la violencia de género; los fraudes *on line*; el *ciberbullying* o la lacra de la pornografía infantil... **Internet negro es un libro directo y actual que muestra de forma global pero rigurosa todos esos peligros, fomenta el desarrollo de una ciudadanía digital segura de sí misma y ayuda a adquirir los conocimientos que todo usuario debe poseer para «no ser uno más» en una sociedad donde la identidad virtual es, en muchas ocasiones, más importante que la real.**
