iOS 12 is designed to make your iPhone and iPad even faster, more responsive, and more delightful to use. It features new apps, such as Measure, or Stocks on iPad, while introducing new additions to your most loved apps, such as Memojis in Messages. It's also more secure, more friendly to use, and better than ever before.

iOS 12 Guidebook reveals everything you need to know about the world's most advanced mobile operating system. It examines all the major changes in detail, reveals a wealth of minor changes, and takes a look at the visual differences on both iPhone and iPad. It also includes detailed tutorials and tips for all the major apps and settings.

You'll discover:

- How to install the iOS 12 beta
- Major new features and apps
- Visual differences
- The basics of using iOS
- Detailed app tutorials
- Essential Settings and configurations
- & much more!
