Want to know more about history and politics? Then you should probably go and read a proper book. Fancy a laugh at some smutty jokes? Then go and read *Viz*. But if you fancy a combination of the two, this is the book for you.

In *Off The Record*, bitter and twisted leftie news reporter Jonathan Pie picks ten of the world's worst wankers and tears them apart. Here you'll find the answers to some difficult questions. Was Blair just a Tory in disguise? Did Cameron really have sexual relations with that pig? Just how the fuck did we end up with President Donald Trump?

It's the ultimate guide to political arseholery. With extra swearing.
