

Descargar libros Juan de Mairena gratis (PDF | ePub | Mobi) Antonio Machado DG Media

Juan de Mairena es una de las obras más originales de la prosa española contemporánea. El entrañable personaje apócrifo que Antonio Machado imaginó quebranta los límites tradicionales entre discurso académico y parodia, filosofía y literatura, escepticismo y compromiso ético. La presente edición ofrece completo el ciclo maireniano de los años 30: manuscrito inédito, libro de 1936 y los artículos publicados durante la guerra civil.
