Más de la mitad de la humanidad muere de una enfermedad desconocida. Todo queda destruido: las redes eléctricas, el agua potable y el suministro de alimentos. No hay ni un solo gobierno, ni leyes, ni reglas. Las ciudades están en ruinas y las pandillas gobiernan las calles. Este es el mundo en el que vive Nea. Después de la muerte de su mejor amigo y su gran amor Miro, se embarca en un viaje a Promise, dónde sueña vivir una vida normal. Emprende un largo camino lleno de peligros y dudas. A parte de todo, en su corazón pesa un sentimiento de culpa.
