

# Descargar libros La Evolución sencilla gratis (PDF | ePub | Mobi) Oscar Velasco DG Media

Sencilla evolución recoge toda la filosofía gastronómica y las recetas más representativas de Óscar Velasco, chef del restaurante Santceloni de Madrid, galardonado con dos estrellas Michelin y discípulo directo de Santi Santamaria. Cocinero ecléctico, classicista y renovador, sus platos son el fruto de su larga experiencia y potente personalidad, llenos de sencillez pero abrazando a la vez la evolución de los tiempos, sin renunciar a su identidad y disfrutando con lo que hace, trabajando sin prisas, creando sin alardes y buscando la felicidad a través de la cocina.
