'Like a great big hug from your best friend... If you want a book to make you feel better, to make you laugh and smile, go read this' NetGalley reviewer

The glorious new standalone office rom-com from the author of the ebook bestseller *Love to Hate You*. Perfect for fans of Sophie Ranald, Sophie Kinsella and Paige Toon.

There's a fine line between love and hate...

Poppy Peterson is about to be evicted if she doesn't pay her rent. She used to be an actress on a telenovela until her character, Ramona Gonzalez, Executive Administrative Assistant to the CEO, was killed off. Unfortunately, dead characters can't pay the bills.

Ryan Stark is a tough boss - especially if you're his assistant. He's been through five in the last two months and now no one wants to work for him. He needs an assistant who can meet his demands. And he can be very demanding.

Poppy's been an assistant before - well, on screen anyway. It can't be that hard to do in real life, right?

Two things are for sure. Poppy is about to play the role of a lifetime. And Ryan is about to learn a whole new lesson about what's *really* important in life.

For more laugh-out-loud, swoon-worthy hijinks, don't miss Jo's other rom-coms, *Love to Hate You*, *Burning Moon*, *Almost A Bride*, *Finding You*, *After the Rain* and *The Great Escape*.

Love funny, romantic stories? You don't want to miss Jo Watson:

'The **perfect choice for fans of romantic comedies**' *Gina's Bookshelf*

'It was **amazing**, it was **hilarious**' *Rachel's Random Reads*

'A **brilliant** read from beginning to end' *Hopeless Romantics*
