**The definitive biography of one of the world's most famous women.**

Madonna is the biggest-selling female recording artist in the world and one of our greatest living pop stars. With each pioneering album she has consistently reinvented her music and her image, transcending the world of pop to become a global cultural icon. In 2018, unbelievably, she is hitting her 60th birthday - yet she still remains as relevant as ever.

Lucy O'Brien's extensive and well-researched biography looks at Madonna the artist, offering a detailed analysis of her music with input from acclaimed musicians and producers, as well revealing interviews from her intimate inner circle. She follows Madonna from her difficult childhood and those frenetic early years in New York, through the shocks and scandals of the 1990s Sex era to her twenty-first-century incarnation as an outspoken activist.

Providing a fascinating insight into her life, relationships and what motivates her as a woman and an artist, *Madonna: Like an Icon* is the definitive biography of one of the biggest stars in the world.
