Top Shelf Productions is proud to present *March*, a trilogy of graphic novels co-authored by **Congressman John Lewis** (GA-5) and **Andrew Aydin**, with art by **Nate Powell** (*Swallow Me Whole, Any Empire, The Silence of Our Friends, The Year of the Beasts*).

*March* is a vivid first-hand account of John Lewis' lifelong struggle for civil and human rights (including his key roles in the historic 1963 March on Washington and the 1965 Selma-Montgomery March), meditating in the modern age on the distance traveled since the days of Jim Crow and segregation. In *March*, a true American icon joins with one of America's most acclaimed graphic novelists. Together, they bring to life one of our nation's most historic moments, a period both shameful and inspiring, and a movement whose echoes will be heard for generations.
