Tras una larga convalecencia por las heridas sufridas en un duro cuerpo a cuerpo, la comisaria Ruiz ha vuelto. Lo hace el mismo día en que un hombre es hallado muerto entre los setos del Retiro. Es otoño en un Madrid enrarecido en el que las protestas de los indignados se mezclan con noticias de suicidios en una multinacional. El cadáver encontrado en el parque parece cuadrar en este grave asunto laboral y, sin embargo, algo no encaja. La joven comisaria se verá arrastrada más pronto de lo que debería a un combate entre lo que le dicta su instinto y su salud. Ella y el veterano periodista Luna quedarán atrapados en una batalla propia de una era de codicia y desigualdad.
