An archaeologist's wife is murdered on the shores of the River Tigris in Iraq...

It was clear to Amy Leatheran that something sinister was going on at the Hassanieh dig in Iraq; something associated with the presence of 'Lovely Louise', wife of celebrated archaeologist Dr Leidner.

In a few days' time Hercule Poirot was due to drop in at the excavation site. But with Louise suffering from terrifying hallucinations, and tension within the group becoming almost unbearable, Poirot might just be too late...

About the author

Agatha Christie was born in Torquay in 1890 and became, quite simply, the best-selling novelist in history. Her first novel, *The Mysterious Affair at Styles*, written towards the end of the First World War, introduced us to Hercule Poirot, who was to become the most popular detective in crime fiction since Sherlock Holmes. She is known throughout the world as the Queen of Crime. Her books have sold over a billion copies in the English language and another billion in 100 foreign countries. She is the author of 80 crime novels and short story collections, 19 plays, and six novels under the name of Mary Westmacott.
