The final issue of the six-part comic series telling the epic story behind Coldplay's newest hit album and its enigmatic title "Mylo Xyloto". With Major Minus victoriously in command and his mind-crippling Hypnoflow device switched on, the Sparker revolution is in grave danger of dissolving into nothingness--unless, that is, an unlikely hero makes a drastic choice to end the misery and suffering that is upon them all. The great history of the Xylobrites and the extraordinary power that lies within its citizenry will not die easily in this thrilling conclusion to Coldplay's polychromatic comic opera Mylo Xyloto!.
