A finales del siglo xix, la joven maestra londinense Susanne Connel hereda la mansión de sus tíos desaparecidos años atrás. No tardará en darse cuenta de que algo extraño ocurre. Una puerta a otro mundo le hará aventurarse en un Universo mágico, tecnológicamente distópico, y vivir múltiples aventuras de la mano de Dangerdollia, un hada steampunk con mal carácter, gatillo rápido y mucha afición a beber; y su gato Raffaello que guarda todo un secreto.

Allí buscará a su familia, encontrará un mundo libre, sin los corsés de su Londres natal, y deberá enfrentarse a toda clase de peligros para volver a su hogar.

¿O preferirá quedarse en Mundo Pequeño, en los N Mundos?

«Este libro es un ejercicio de fantasía desbordante que nos lleva a un universo complejo, fascinante y lleno de sorpresas. Merece la pena dejarse caer por la madriguera de conejo que nos presenta López-Herrero».

Manel Loureiro

«Entre *Las Crónicas de Narnia* y *La historia interminable*, un viaje a otro mundo que ojalá fuera real en algún lugar del universo».

Elio Quiroga, Premio Minotauro
