En esta vida a todos nos pasa lo mismo, la diferencia está en cómo te lo tomas. Puedes sentirte un desgraciado al que le caen todos los marrones o ver el lado positivo de las cosas y llevarlas con sentido del humor.

En *No te calientes* los humoristas Leo Harlem y Sinacio se ponen el mundo por montera y «reflexionan» sobre su peculiar manera de ver la vida. Un manual desternillante para evitar todo lo que nos saca de quicio y nos pone de mal humor, y en el que, sin duda, te verás reflejado.

Si este libro acaba en tus manos no te garantizamos sexo continuado ni que desaparezcan tus patas de gallo, pero lo que es seguro es que no pararás de reír.

Aplicáte la filosofía de estos dos cincuentones, maniáticos y gruñones.
