Edición digital óptima para su lectura en tableta.

«Tengo algo que decirte: vas a ser papá», y tú no sabes si ponerte a llorar de alegría... o de nervios. ¡Que no cunda el pánico! Con este libro, organizado según los niveles de experiencia que debes ir superando como si de las pantallas de un videojuego se tratara, te darás cuenta de que no estás solo: por increíble que pueda parecerse, este padre ha vivido las mismas situaciones de asombro y torpeza que has vivido o vivirás tú, y las comparte aquí para quitarle hierro al asunto y arrancarte una carcajada.

Ilustraciones hilarantes inspiradas en el día a día de los papás primerizos, que parten de anécdotas a menudo surrealistas que, sin embargo, son compartidas por la mayoría: la «lucha» entre padre y madre para que el peque diga antes «papá» o «mamá», los conjuntos imposibles que el padre le pone al bebé cuando la madre no está, etc.
