O día da Ascensión do ano 1929 o mozo Guillermo Cardelle achégase á Alameda de Santiago de Compostela para desfrutar da xornada festiva. Cando decide entrar no gabinete do mago Bunda, dotado de supostos poderes proféticos e divinatórios, non pode imaxinar que o que alí escoite lle cambiará a vida para sempre. Desde entón Guillermo será o depositario dun segredo relacionado coa antiga muralla, as igrexas intra muros e o sepulcro do apóstolo que dá nome á cidade. E revoando sobre todos estes elementos, a presenza permanente do número once, unha cifra arredor da que semella xirar un misterio no que Guillermo deberá afondar para descubrir o seu verdadeiro sentido. "Once portas" é unha novela a cabalo entre o histórico e o fantástico, unha viaxe a través dos episodios sobranceiros da historia compostelá e unha homenaxe á cidade de Santiago a través dos seus símbolos máis universais.
