From the legendary *New York Times* bestselling author of *Only a Kiss* and *Only a Promise* comes the final book in the rapturous *Survivor's Club* series, where the future of one man will be decided by a lost - but never forgotten - love . . .

For the first time since the death of his wife, the Duke of Stanbrook is considering remarrying and finally embracing happiness for himself. With that thought comes the treasured image of a woman he met briefly a year ago and never saw again.

Dora Debbins relinquished all hope of marrying when a family scandal left her in charge of her younger sister. Earning a modest living as a music teacher, she's left with only an unfulfilled dream. Then one afternoon, an unexpected visitor makes it come true.

For both George and Dora that brief first encounter was as fleeting as it was unforgettable. Now is the time for a second chance. And while even true love comes with a risk, who are two dreamers to argue with destiny?
