Winner of the 2013 David Gemmell Morningstar Award, *Promise of Blood* is the explosive first novel in the most action-packed and acclaimed new fantasy series in years.

It's a bloody business, overthrowing a king. Now, amid the chaos, a whispered rumour is spreading. A rumour about a broken promise, omens of death and the gods returning to walk the earth.

No one really believes these whispers.

Perhaps they should.

'Just plain awesome . . . Innovative magic, quick-paced plot, interesting world. I had a blast' Brandon Sanderson

'Gunpowder and magic. An explosive combination' Peter Brett

'Brings a welcome breath of gunpowder-tinged air to epic fantasy' Anthony Ryan

'Tense action, memorable characters, rising stakes . . . Brian McClellan is the real thing' Brent Weeks
