Please note this is not a novel, but a companion book for Reacher fans

Reacher's own rules for life are brought together in this irresistible collection of quotes, life lessons and wisdom from the man himself.

As every Reacher fan knows, you don't have to break the rules if you *make* the rules. If you want to survive in this world nothing else matters.

- Rule 1. When in doubt, drink coffee.**
- Rule 2. Never volunteer for anything.**
- Rule 3. Don't break the furniture.**
- Rule 4. Only one woman at a time.**
- Rule 5. Show them what they're messing with.**

'I don't want to put the world to rights, I just don't like people who put the world to wrongs'

'Either you'll walk out of here yourself, or you'll be carried out in a bucket'

'I'm not scared of anybody... But I certainly preferred it when he was dead'

If you've read the books, you'll love this. If you haven't read the books, what are you waiting for?
