Quando en un parque de Copenhague aparece el cuerpo sin vida de una mujer mayor, el comisario Carl Mørck recibe el encargo de esclarecer ese asesinato brutal, cuyas circunstancias parecen estar relacionadas con otra muerte sucedida años atrás. Al mismo tiempo, un asesino en serie se dedica a atropellar a mujeres jóvenes. Por si fuera poco, las instancias superiores del Departamento Q están todo menos contentas con el bajo porcentaje de resolución de casos y se plantean suprimir gran parte de la financiación del departamento. Además, Rose, ayudante de Carl Mørck y pieza fundamental de su equipo, pasa por un mal momento. Vive atormentada por recuerdos de acontecimientos espeluznantes de su pasado que la obligan a ingresar en un hospital psiquiátrico. ¿Qué tienen que ver con todo esto una trabajadora social resentida, Anne-Line Svendsen, y tres jóvenes muy atractivas y obsesionadas con su apariencia, Michelle, Jasmin y Denise, que se conocen en la sala de espera del despacho de Svendsen y para inmortalizar el momento se hacen un selfie?
