Durante una maravillosa tarde de verano, de visita en casa de su amiga Frances, Susanna Osborne es presentada al hombre más atractivo que haya visto nunca. La joven profesora siente algo que no tiene que ver con la encantadora sonrisa de Peter Edgeworth, seductor irremediable; sabe instantáneamente que este noble significa una grave amenaza para su corazón y los misterios que guarda. Por su parte Peter, vizconde Whitleaf, experimenta algo único al conocer a Susanna. Profundamente atraído, insiste a pesar de los continuos desplantes de la joven, quien se resiste una y otra vez. Finalmente el deseo se impondrá y vivirán una inolvidable tarde de pasión. La muchacha vuelve a sus obligaciones laborales, muy triste pero con la sensación de haber evitado un problema mayor. Sin embargo, el destino los unirá nuevamente. ¿Serán capaces de superar los secretos ocultos durante años, para vivir plenamente su amor?
