

Descargar libros Sirens 3 gratis (PDF | ePub | Mobi) Lena Valenti DG Media

Historia y mundo creado por Lena Valenti y Valen Bailon. En medio del dolor y de la destrucción de los últimos acontecimientos en la Tierra Hueca, esta cierra sus puertas para proteger los últimos vestigios de su civilización. Mientras tanto, en el exterior, una mujer está decidida a hacer cumplir el objetivo que le legaron. Pero nunca imaginó encontrarse de cara con el mundo en el que siempre creyó, aunque este tuviera fuego rojo en sus ojos atormentados, hielo en sus palabras y una lágrima negra eterna en el rostro. Él se la llevará como una presa, como un medio para hallar lo que quiere. Pero ella le demostrará que es su llave a la salvación. Una llave que podría abrir todas las puertas, incluso las del hogar perdido.

Solo el amor forja la leyenda.
