Tres hermanas solteras caen en las redes del amor, una tras otra... Montana Hendrix había encontrado su vocación: trabajar con perros de terapia. Vivía en un pueblo que adoraba, tenía un trabajo maravilloso y por fin estaba lista para buscar a su hombre ideal. ¿Podría uno de sus perros ayudarla a encontrarlo? El doctor Simon Bradley prefería la asepsia del hospital al desorden de la vida cotidiana, sobre todo si esta incluía un perro proclive a causar accidentes y una mujer cuyos besos le hacían desear aquello que no podía tener. Desfigurado desde la infancia, evitaba cualquier vínculo emocional y viajaba por todo el mundo operando a niños que necesitaban su toque maestro. ¿Podrían sus sentimientos hacia Montana inducirlo a instalarse en Fool's Gold, o se marcharía llevándose consigo el corazón roto de Montana?
