

Descargar libros Tapping gratis (PDF | ePub | Mobi) Cipriano Toledo DG Media

Cipriano Toledo es el introductor del Tapping en España, una revolucionaria técnica por la que, aplicando pequeños toques en determinados puntos “energéticos” se pueden solucionar todo tipo de problemas. Es una técnica sencilla de aprender y aplicar, y al alcance de cualquiera, independientemente de su edad, experiencia, estudios etc.

Después de miles de casos documentados el Tapping ha demostrado su eficacia en los más variados problemas como ansiedad, fobias, depresión, estrés, miedos, ataques de pánico, miedo al parto, duelo, nerviosismo en exámenes, bajo rendimiento escolar, problemas infantiles, dificultad para alcanzar metas u objetivos, eliminar creencias limitantes, mejorar la autoestima, encontrar empleo, mejorar la economía, fibromialgia, dolor, disfunciones sexuales, obesidad, trastornos de la alimentación, etc.

Todas las personas que aprenden se sorprenden de sus resultados. La frase más escuchada por parte de la gente que lo conoce es “no puede ser tan fácil”.
