Àngel Guimerà publica "Terra Baixa" l'any 1897 dins la tradició lieterària del realisme. Guimera l'escriu en la seva època de plenitud literària, i s'ha convertit en una de les obres més representades en llengua catalana. En aquest drama rural el tema principal és l'amor, però les influències realistes instiguen Guimerà a incloure altres temes com l'opressió que pot arribar a exercir un home sobre un grup de persones que es troben sota les seves ordres, sent treballadors seus, dins d'una societat conservadora.
