

Descargar libros The Handbook of Logistics and Distribution Management gratis (PDF | ePub | Mobi) Dr Peter Baker, Phil Croucher & Alan Rushton DG Media

The definitive guide to supply chain philosophy, strategy and the practicalities of logistics and distribution. *The Handbook of Logistics and Distribution Management* is a step-by-step guide to setting up and managing supply chains to add maximum value to the organizations they serve. Benefiting from the author team's years of practical experience in some of the most challenging environments across the world (from developed economies to third-world countries and war zones), this book will enthuse students and be an invaluable desk reference throughout their careers.

Packed with worked examples and real-world data, *The Handbook of Logistics and Distribution Management* offers complete coverage on all the key aspects of distribution, logistics and supply chain planning and management with clear and straight forward explanations. This is not a compilation of work drawn from a disparate collection of research papers and miscellaneous projects, but

a logical and complete view of how supply chains fit together, including minute details of distribution and logistics.

This fully revised 6th edition of *The Handbook of Logistics and Distribution Management* provides solutions to today's key challenges. With new material on international freight forwarding, environmental best practice, cool chain, intermodal shipping and outsourcing and a new, detailed index of contents. New **online resources** include lecture slides (tables, images and formulae from the text), glossary of terms, weblinks, blog articles, video interviews and infographics.
